

SUMIT RATHOD

C# DEVELOPER INTERN (FRESHER) | COMPUTER ENGINEERING STUDENT

Devlai Parisar, Chhtrapati Sambhajinagar | sumitrathod0807@gmail.com | +91 7414980021

CAREER OBJECTIVE

Enthusiastic Computer Engineering student with a strong interest in C# programming, .NET development, and problem-solving. Passionate about learning modern technologies and building real-world applications. Seeking an opportunity as a C# Developer Intern to gain industry experience and enhance technical and teamwork skills.

PROFESSIONAL SKILLS

Logical Thinking
Communication

Problem Solving
Team Collaboration

TECHNICAL SKILLS

C#, Python (Basics)
HTML, CSS, JavaScript

MySQL, SQL Server (Basic)
.NET, ASP.NET Core (Beginner)

PROJECTS

Student Record Management System (C# + MySQL)

Oct 2025

Developed a mini desktop project using C# for managing student data such as marks, attendance, and reports.

- Used Windows Forms for interface design.
- Connected MySQL for data storage and retrieval.

Personal Portfolio Website

Aug 2025

- Created a responsive portfolio website to showcase my projects and achievements.
- Implemented a clean and mobile-friendly design using HTML, CSS, and Bootstrap.
- Added sections for skills, certifications, and contact information for recruiters.

AI-Powered Excel Automation (Python + Excel)

July 2025

- Built a Python-based automation tool to simplify repetitive Excel tasks.
- Used libraries like openpyxl and pandas for data formatting, analysis, and visualization.
- Improved efficiency by automating report generation and data summarization.

EDUCATION

Bachelor of Engineering – Computer Science & Engineering

2025 | Pursuing 3rd Year

- International College of Excellence in Engineering and Management

Diploma in Civil Engineering

2021 – 2024 | Score: 81%
